

## **Affordable Connectivity Program – Estherville Communications**

The Affordable Connectivity Program (ACP) was created by the FCC to provide a discount on monthly broadband (Internet) services for qualifying households. Eligible households can receive a discount of up to \$30/month for broadband service. For more information and to see if your household qualifies for the ACP, visit [www.fcc.gov/acp](http://www.fcc.gov/acp).

### **AM I ELIGIBLE?**

You are eligible for the ACP if your household income is at or below 200% of the Federal Poverty Guidelines, or if a member of your household meets at least one of the criteria below:

- Received Federal Pell Grant during current award year
- Meets eligibility criteria for participating provider's existing low-income Internet program
- Participates in one of these assistance programs: SNAP, Medicaid, Federal Public Housing Assistance, WIC, Veterans Pension or Survivor Benefits, Lifeline.
